

APPREHENSIVE ABOUT OVERSPENDING FOR A NEW WEBSITE?

Are you short on cash flow?

Why not save money and stress by renting your new website? Website Rentals by Get To Page One with Website Rental from as little as only £45 per month, we can design and build your very own responsive website, ensuring that it is mobile friendly and compatible across all devices. All sites are structured and built with SEO in mind.

Simple fixed price website rental packages are available with no-minimum fixed term contract. Pay a small initial set up fee, with a fixed monthly price and the option to purchase outright at a later date for a pre-agreed price.

All websites will include the required initial on-site search engine optimisation, to help your website to rank organically on all the leading search engines, Google, Yahoo & Bing. This will help generate more natural traffic from potential customers online.

We are also able to offer more complete custom package, where not only provide you with a new website... but we can look after any ongoing SEO needs & even manage ongoing advertising on Google all for a fixed monthly cost **WITH NO CONTRACTS!**

Are you a new business?

Do you want a professional website to simply showcase your services and products? IF you are looking for a website that can showcase you work, with creative image galleries, photographs or pictures of your work? Then our website rental packages are ideal for you.

Galleries are compatible with social media integration across a wide range of platforms. Share images, share your work, share your services and share your website online across a wide range of social media apps, platforms and sites:

*Rent your website with no fixed term contract. With the option to purchase your website at any time and take over legal ownership of the site, where you have the option to continue hosting the site through Get To Page One Ltd or you can choose to move to your own hosting or third party provider.

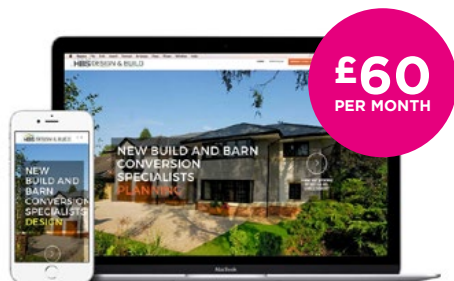

Terms and conditions apply. Upfront design and build costs apply to all packages and website's remain the property of Get To Page One Ltd. The option to purchase your website at any time is available for a pre-agreed fixed cost. At such time you can choose to retain website hosting services from Get To Page One Ltd (an on-going annual hosting fee will then apply to keep your website online) or you can decide if you want your website to be transferred and hosted through a third party.) All website hosting fees are included within our website rental packages and prices.
